

# Wichita Clinic is becoming Via Christi Clinic

## FAQs

**Will this change affect my insurance?** No.

Our name change will not affect your insurance coverage. If Wichita Clinic was considered in-network by your insurance, Via Christi Clinic will still be considered in-network.

**Can I continue to see my same doctor?** Yes.

We understand that your relationship with your doctor is important and valued. Our name change doesn't affect the relationship with your doctor.

**Will this change affect my out-of-pocket costs?**

No. Our name change doesn't affect your insurance coverage, coinsurance or copayments. Your out-of-pocket costs are determined by your plan.

**Do I still have a choice of hospitals?** Yes.

Via Christi Clinic doctors will continue to see patients at both Via Christi hospitals and non-Via Christi hospitals. Your insurance may cover exams, laboratory and radiology tests and other procedures at Via Christi Clinic but require you to use a hospital outside of Via Christi Health for inpatient and emergency care. Contact your insurance companies for information about optimal benefits.

**Whom should I contact with questions?**

While our name is changing, all of our contact information is the same. You can reach your doctor's office at the same phone number. For questions about insurance, contact your insurance company.
